## FISH N' CHIPS

Join the Naturalist at the Fishing Pier! Try to land the big one and enjoy some chips and chatting while you're at it. We'll have extra poles and worms if you need to borrow.

## CREATURE FEATURE

Stop by for this short animal program, highlighting Indiana animals. Some days we'll just chat, some days we'll have activities, and who knows? Some days we might have a real live visit from a critter!

## PAINT TOWN ART STUDIO

Come to our painting club every Thursday. We have paper and paints and brushes. (Feel free to bring your own materials too!) We will gather to chat and create. Each week we'll have a new nature theme to work on!

## PERSEIDS PARTY

Bring your blankets/pillows/beach towels and settle in for a little meteor shower watching.

This will happen on both Thursday and Friday night.

PS If it's cloudy, we probably won't see any stars.

## *Pirates of Paynetown*

Yarrrr! Come meet the scalawags and scoundrels of the seas at this free program. Check out the reenactment camps and the fierce battles on the water!

## Owl Prowls and Night Hikes

Every Night Hike and Owl Prowl will meet at the Trailhead near the Overflow Parking Lot. Bring a flashlight, but we won't use them the whole time! **Youth under the age of 12 must be accompanied by someone 16 or older.** Pets and alcohol are not welcome on these hikes. Please respect this policy.

The Nature Center is a happy and laid-back place for you to visit. Sandy feet and swimsuits don't bother us a bit! Cool off with our critters and drop in anytime during open hours to participate in our programs and activities. They are free, fun, and a good way to pass the time on a beautiful lakeshore.
